

OFF-GRID REPAIRS

# TERMS & CONDITIONS

## 1. Scope of Work

Drifters Downunder provides practical 12V electrical and off-grid tech support for caravans, 4WDs, and touring setups across Australia. Services may include:

- Battery & solar system setup and troubleshooting
- Dual battery, DC-DC charger, inverter, and lighting installations
- Caravan & touring 12V fault finding
- Starlink, router, and off-grid tech setup

We work on low-voltage (12V) systems only. Any additional work not agreed upon in advance must be approved by the client.

## 2. Client Responsibilities

- Provide safe access to your vehicle or system for service.
